*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## AFRICAN-AMERICAN FOLKTALES (PAPERBACK)

August House Publishers, United States, 2006. Paperback. Book Condition: New. Reprint. 224 x 147 mm. Language: English . Brand New Book. The range and mastery evidenced in the stories selected by Richard and Judy Dockrey Young--veteran storytellers and teachers in their own right--is due in large part to the fact that they include so many favorite stories of acclaimed African and African-American storytellers. Designed to entice even the most reluctant reader, these stories are not only fun to read, but are bound to be repeated and shared. The seven sections--Young Heros and Heroines, Animal Fables, Trickster Stories, Parables About People, Bigger Than Life, In the Park and in the Dark, and Brother Rabbit Today--are introduced by brief topical essays and include individual story notes to further enhance both the learning and the enjoyment of these stories.
