Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Why were they murdered Shirley Waterbury does not believe her familys death was accidental. Shirley knows her father was too meticulous and too cautious and knew the sea too well to attempt to sail during an approaching hurricane. She knows they were murdered, but with no indication of foul play, no one will investigate a tragedy classified as an accident. Enter Slade Lockwood, a decorated twenty-year veteran of the LAPD, who returned to Cedar Key to find what he lost in law enforcement: himself. His reluctant acceptance to investigate the deaths of Shirleys family members will take him on a journey across America, where he finally finds what he has lost while unraveling the mystery behind the murders - a prize so priceless, it will rival Einstein and become the greatest gift ever bestowed upon the human race! The face of the world could change, and billions are at stake as Slade races against time to bring a ruthless killer to justice! This item ships from La Vergne,TN. Hardcover.
