God in Real Time: The Theology of Empowering Change (Paperback)

By Rev Dennis R Madden Lpc

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is the result of a lifetime of theological study and many years working in church ministry, combined with problem solving and the process of change as I have worked as a professional counselor with thousands of patients and clients. In the God in Real Time series we discover Truths that transformed nations and shaped the course of history, and our world as we know it. These principles of change have been laying there almost dormant for centuries. First they were buried by the church itself deep in the Latin for over 1,000 years. Then the great reformation brought the scriptures back to life in the language of the day. For the past 400 years we have been bringing that message to light in every man s language across the globe. God in Real Time is a continuation of that great process, bringing the Biblical light and understanding of the change process to the people of our century. Read these books to explore Your Real Change for a Lifetime, and you will never be the same. Two...

Reviews

A new e book with a brand new standpoint. I am quite late in start reading this one, but better then never. I discovered this ebook from my i and dad advised this publication to understand.

-- Jada Franecki II

Here is the very best book i have got read through until now. I could possibly comprehended everything using this composed e publication. You will not sense monotony at whenever you want of your time (that's what catalogues are for concerning should you ask me).

-- Izaiah Schowalter
