## THE GOOD DOCTOR (PAPERBACK)

Grove Press / Atlantic Monthly Press, United States, 2004. Paperback. Book Condition: New. Reprint. 206 x 137 mm. Language: English . Brand New Book. Taut, spare, and compellingly readable, *The Good Doctor* is a brilliant literary high-wire act short enough to be devoured in one or two sittings. When Laurence Waters arrives at the small rural hospital in a South African homeland where Frank works, Frank is immediately suspicious. Everything about Laurence grates on Frank, from his smoking in their shared room, to his unfamiliar optimism about what the doctors can truly accomplish among the local population--but Laurence seems oblivious, immediately and repeatedly declaring Frank his friend despite the other s indifference. Frank originally came to the hospital to get his bearings after his wife left him for his best friend--but denial of the higher-level post he was promised when he came, and the disillusionment of working at a completely ineffectual hospital (it s always deserted, an entire wing closed off and gradually being looted of any reusable equipment lacks basic supplies), has hardened him into cynical apathy--which makes Laurence s optimism all the more irritating. Laurence starts planning a campaign to bring the hospital to the people, by running clinics in nearby villages. A group of soldiers have arrived in the village, reportedly looking for holes in the border where smuggling has become rampant. Then Laurence s African-American girlfriend Zanele, who has adopted an African name and dress, and who shares his political idealism (but not much actual intimacy, it seems) comes to visit, and Laurence and Frank host a party. During the flush of drunkenness the tensions between the staff melt away (the Cuban couple estranged by Frank having had an affair with the woman; the strained power relations between Frank and the other doctors and Tehogo, the...
