Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

Planetary Name: Earth Lifeform Initial Report:.weak Expected Resistance:.negligible .Message Ends With war raging across the far reaches of the galaxy, earth sits in apprehensive peace and deafening silence any news of the battles far away in space jammed. A small detachment of Trevakian Ships guard the lone planet from orbit above whilst world leaders rush to rebuild their fighter strength and manufacture the advanced weaponry the new allies have provided. Earth s residents are innocently unaware of the threat posed against them a cunning and vicious race that seems to consider taking prisoners a sign of weakness. Time may be running out.and fast no one knows the true evil and intent that is about to be unleashed At any time our lives or world could change and change dramatically. Most of us do not even consider, or are far too afraid to consider.that this hour may be the last of that perceived normality...
