ZONDERVAN, United States, 2007. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book. If you're sick of all the ways you've tried to bring about change in your marriage—the silent treatment, nagging, one-way discussions, or pleading—it's time to set aside those broken methods for a Christ-based approach. This book demonstrates how women can inspire, influence, and help their husbands move in positive directions. Replacing your plan of action with God's leads to a marital transformation where both partners are moving in sync, the way God intended. Gary Thomas draws concepts from his bestseller, *Sacred Marriage*, and outlines practical applications you can start using today. He also shows how marriages were transformed through these methods employed by real-life women. In these pages, you'll also find a fresh perspective to help you understand your husband: the view of the marriage relationship through a man's eyes. Thomas gives you insider information on how men think, feel, and can truly be motivated.
