## THE RULES FOR THE GENDER OF FRENCH NOUNS: REVISED FOURTH EDITION

Wheatmark. Paperback. Book Condition: New. Paperback. 188 pages. Do you wonder why, in French, your arm is masculine while your leg is feminine Why your sofa is masculine but your chair is feminine. And why should a person or victim always be feminine, even if the person or victim youre talking about happens to be a man And isnt it odd that masculinit is feminine The illogic of French gender can be very frustrating. But, after reading this book, if you see words like croisement, pays, vin or chocolat, you will instantly know they are masculine, and you will also immediately recognize that words like ville, facture, maladie and essence are feminine. The rules you wil find here are pragmatic and empirical. They were derived through the authors encounters with thousands of nouns through ordinary conversation and reading. His goal was to write a book about these rules in a conversational voice, pulling the reader in simply because its interesting. -----Here are some reviews of this and others of Rosenthals books on learning French: Rosenthals book (The Rules for the Gender of French Nouns), is a great reference tool for both students and teachers. The easy to understand rules are highly useful. The other strength of this book is the style in which Rosenthal has written it. This book is a solid reference that clearly meets the authors goal of presenting paragmatic, empirical rules for detetermining the gender of French nouns. I wish Rosenthal had written his book twenty years ago when I was a student. --- The French Review (reviewed April 2006)I think your books are wonderful. You have made a fantastic contribution to the French language profession. --- Professor Judy Baughin, Raymond Walters CollegeYour little books are great! ---- Professor AG Fralin, Washington and Lee UniversityAs with your...
