## HOME OF THE CAN MANS DAUGHTER

Vagabondage Press. Paperback. Book Condition: New. Paperback. 76 pages. Dimensions: 8.0in. x 5.2in. x 0.2in. Every boy sees his grandfather as something of a legend, and Richard Petty Schultz is no exception. His Poppy fought the Nazis during the War and notched 17 confirmed kills before a snipers bullet left him blind in one eye. In peacetime, the man survived heartbreak, cancer, bankruptcy, and a stroke. Most importantly, Poppy Schaeffer built the Eiffel Tower, which made Christmas everything that it is today. But even the greatest of men have to die sometime. Over the course of one hot summer weekend, Richard narrates from his eighth-grade perspective as he and the rest of the tourist-trap community of Christmas, Florida, struggle to accept Poppys impending death. A legend of a man who drew in traffic from across the Southeast by building scale replicas of French monuments using nothing but empty beer cans and quick dry cement, Poppy Schaeffers passing marks the end of an era for a town that has itself been dying for years, thanks to an untimely Interstate bypass. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
