

Changing the World: Policy Suggestions for the Ninety-Nine Percent (Paperback)

By Kada

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Occupy and Arab Spring movements reflect a worldwide frustration with how 1 of the population controls everything for their own benefit at the expense of the 99 . Countless millions of us are finally ready to take action, but we first need to agree on which policies to support. This little book suggests how we might find the necessary solutions through the application of four basic principles: reason, fairness, freedom and opportunity. A single, worldwide government would end wars between nations and the threat of nuclear war. The problem isn't big government, it is corruption and inefficiency in government. An Informed Democracy would provide a means of controlling these problems, without the problem of mob rule, by placing immediate power in the hands of the people. 10 of the U.S. population owns more than 90 of the wealth. If they could get by with only 80 it would DOUBLE the standard of living for 90 of the population. An Exchange Tax at the same rate for everyone, with no loopholes and no other taxes, could make...
