Chance to read a hundred times. its meaning from the present significant enough to read the important. early morning is the day's prime time. the peak of human memory as full time in the morning in reading the limited memory. and with a better frame of mind to comprehend its content. the learning will be able to have a multiplier effect. In recent years. schools have become increasingly aware of the Morning Reading the importance. have opened a morning reading lesson for students to take advantage of this time period. to enhance knowledge and skills of the morning reading English language training. In many key schools. morning reading English academic organization is an important part of teaching is essential to the continuation and English supplement classroom. However. the morning reading in some schools put too busy though. but with teaching. examinations out of touch. with little success. and students lack the relevant information for Morning Reading. Morning Reading therefore generally only read the text back the word only. After in-depth investigation launched after a quick English Morning Reading 11 series is precisely to fill this gap. Many successful people learning English have practiced and benefited from the morning reading. they generally think that the trick is learning English. read the back and the memory: a note of words and phrases. the second reading of sentence grammar. three back of the U.S. culture punch line. thus firmly master the basic knowledge of English. speaking and writing basic skills improve quickly. Quick English Morning Reading 11 Based on this concept. focusing on specific time periods early in the morning. follow the student-oriented....
