Bloomsbury U.S.A. Children s Books, United States, 2016. Hardback. Book Condition: New. Thierry Lafontaine (illustrator). 211 x 150 mm. Language: English . Brand New Book. Every Friday the 13th, 6th grade genius and inventor extraordinaire Nate Bannister does three not-so-smart things to keep life interesting. This time, he taught a caterpillar math, mailed a love letter, and super-sized his cat Proton before turning him invisible. As Nate and his new (well, only) friend Delphine race to stop Proton from crushing everyone and everything in town, they come face-to-face with Sir Jakob Maculte (the twenty-seventh lord of Mayberry Castle and leader of the nefarious Red Death Tea Society). Known for its criminal activity, killer tactics, and impressive tea brewing skills, the Red Death Tea Society will do anything to get in their way. Nate and Delphine must pull out every mind-blowing gadget, half-perfected invention, and unproven but theoretically sound strategy they ve got up their sleeves in order to survive to see Saturday the 14th! Eisner winner Paul Tobin s extraordinarily madcap middle grade debut features black and white illustrations from film talent Thierry Lafontaine and is the first of five novels in the series. Awards for Bandette Winner, Eisner Award for Best Digital Comic Winner, IndieFab Award - Bronze, Graphic Novels Comics.
