HarperCollins Publishers Inc, United States, 2011. Paperback. Book Condition: New. Reprint. 200 x 134 mm. Language: English . Brand New Book. Give Us Liberty is written for every American who is ready to stand up to the federal government s unprecedented power, spending, and intrusion on personal freedom. As millions are realizing, our country s future has been dangerously compromised as the national debt spirals out of sight to pay for a litany of irresponsible federal policies: Obamacare, Wall Street sweetheart deals, liberals pet social programs, Congressional pork, foreign aid, and new military adventures. Dick Armey and Matt Kibbe-economists and influential supporters of Tea Party activists and candidates across the country-explain what s at stake, why limited government is the answer to our crisis, and how we can renew American prosperity by studying the lessons of the revolutionary era. This paperback edition also features a new foreword by Glenn Beck.
