

A Walk Across Michigan: Hiking the Michigan Shore-To-Shore Riding and Hiking Trail (Paperback)

Filesize: 6.51 MB

Reviews

This publication is fantastic. We have read through and i am certain that i will planning to read yet again yet again down the road. You wont feel monotony at at any time of your respective time (that's what catalogs are for concerning when you request me).

Will Swartz Enterprises, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Hey! ----Aren t you supposed to be working?! And yet, here you are searching for another good book to read ---in the hiking section of all places. Does that mean you ve thought about going on a backpacking adventure of your own, like all the people who through-hike the Appalachian Trail (AT)? Me too. Do you long to reconnect with America, like Bill Bryson in A Walk in the Woods? Or, become a trail legend and icon, like David Miller, in Awol on the Appalachian Trail? Or, are you searching for a long term hike on the Pacific Crest Trail (PCT), like Cheryl Strayed, in Wild, as a way to get back to Nature to heal your soul? Good luck! I don t think your boss will give you 6 months off work to go do that. That s why I wrote the book, A Walk Across Michigan: Hiking the Michigan Shore-to-Shore Riding and Hiking Trail. There s a trail that cuts across the middle of Michigan that s perfect for people like us. I know because I hiked it. The Shore-to-Shore (STS) is 232.1 miles long and is an ideal path for someone who is looking to do a longer hike but doesn t have a lot of time. It s also a great choice for those who need a trail for a shakedown run and it is newbie hiker friendly. You probably haven t heard of the Michigan Shore-to-Shore Riding and Hiking Trail yet because the trail name is too long to put on a tee shirt and also because it is a well guarded secret! I sent an email to Chris Santella...
