A new philosophy. A host of new players. And most all, renewed hope. That is what the Cleveland Indians did in the offseason to restore faith and spirit in the team located at the Corner of Carnegie and Ontario. But along with all of the changes the organization has made at the top, the minor league system still remains at the heart of what will truly dictate their chances for success over the long haul. They are still not very strong in the upper levels, but the lower levels are stocked with youth and upside that arguably has not been seen in 20 or more years. This book is the essential resource guide for everything Cleveland Indians beyond the Major League team. In this book you will find: - Detailed and updated scouting reports and tool grades for the Cleveland Indians Top 100 prospects. - An additional 100+ scouting reports on other players in the system including reports on their Top 20 International prospects and reports for every signed player from the 2012 Draft. - Detailed payroll information and roster outlook for the next seven years. - Projected opening day rosters from Cleveland to Single-A Lake County. - Complete 2012 transactions, released payers, and 2013-2017 Rule 5 Draft outlook. - Full 2013 minor league spring training and regular season schedule for all affiliates. - Career stats including college and winter ball, and over 100 player photos. - 2012 coaching...
